AN EVANGELIST FOR GLOBAL JUSTICE

A True and Dear Friend of Ethiopia
(Since his days at Haile Selassie I. University)

Dedon Kamathi was an integral part of our community.

HE WAS A MAN OF PRINCIPLE. A MAN WHO DEDICATED HIS ENTIRE LIFE FOR THE CAUSE OF JUSTICE

HE HAD A SPECIAL LOVE FOR ETHIOPIA AND ETHIOPIANS

HE WAS A TRUE FRIEND OF ETHIOPIA

He campaigned with us, vigorously, against the brutal oppression of the Dergue for 17 years ...

He rejected and campaigned against the Woyaneas ethnic-apartheid governance, with us
For over two decades, he helped us organize and accompanied us to offices of those elected to congress
to voice our concerns.

He campaigned against the land grab in Gambella and elsewhere in Ethiopia, and around the world.

Helped us organize global campaign against the Saudi's atrocities committed against our people

At present, he was working with us to help get Ethiopians out of Libya
(Ethiopians in hiding after the beheadings of the 28 Christians by ISIS)
